METALS AND WOODS CLASSES

Old Rochester students in Metals and Woods classes have had a busy spring putting together several interesting projects. The Woods II class, under Mr. Richard Threlfall's direction, constructed three garden sheds, each of a different size and design. Students in Mr. John Wright's Metals III class built from the wheels up a horse trailer, and for the Mattapoisett Athletic Committee built four sets of bleachers for use Lamborghini Field. The new marquee, on Route 6, presented to the school by the Class of 1972, was built almost entirely by Robert Bertrand, a student in the Woods II class. The marquee was formally presented to Mr. Frank Gifune, principal at ORRHS, by Paul Graham and Susan Marini, president and vice-president of the Class of '72, last Sunday.

FORMER SELECTMAN PASSES AWAY

Mattapoisett citizens were saddened this weekend by the loss of one of the town's leading citizens: former Selectman William J. Spark, Jr. of Pearl Street.

Mr. Spark, an executive of Revere Copper and Brass of New Bedford, served the town for 6 years on the Finance Committee before being elected to the Board of Selectmen in 1963. He served during the abrupt change of Mattapoisett from small town status to a rapidly expanding town with all the problems of such transition. Mr. Spark's six years on the Finance Board were invaluable to the town at the time he served in that important period. His term as Selectman was

equally valuable to a town under the strain of expansion.

The loss of Mr. Spark who has served the town so well is a deep one. He will be remembered with great admiration for the public service which he performed so unselfishly and so well, but, more than that, for the character and personality which he possessed and made him unique and so valued by his neighbors and friends.

NEW CHEERLEADERS NAMED See Cover

Six new cheerleaders have been chosen to fill vacancies on the 1972-73 Old Rochester Regional High cheering squad, and a new head cheerleader has been elected. Sue Morse, daughter of Mr. and Mrs. Charles W. Morse, 21 Holly Lane, Mattapoisett, is the new head cheerleader. She will be a senior in the fall.

Named to fill the openings on the team are five Mattapoisett girls and one from Rochester. They are Senior Paula Roberts; Juniors, Sheryl Swift and Heather Thuestad; and Sophomores Heidi Brockelman and Diane Setteducati, all of Mattapoisett; and Junior Charlene Walker of Rochester.

They will join veteran cheerleaders Gayle Silveira, Karen Andrews and Erica Nelson, all of Mattapoisett. The cheering squad is advised by Miss Vivian Cunha, a member of the Foreign Language Department at Old Rochester.

SECRETARIAL ORGANIZATION AT ORRHS

Take one Rex-Rotary 2000 electronic stencil cutter, a Rohn Rex rotary mimeograph, Monroe 1220 electronic calculating machine, three IBM typewriters, a Mosler Side File Cabinet, and three Executive-secretarial desks, put it in a little room adjacent to the foyer at Old Rochester Regional High School. Then, people it with energetic young business students seven periods a day, and you have a real on-going secretarial organization.

The office is the brainchild of Mrs. Vera Jozefek, senior teacher in the Business Department at ORR. Equipment and furniture for the 'office' was purchased with government PL 90-576 funds, the result of a project written by Mrs. Jozefek.

NEW BLEACHERS FOR LITTLE LEAGUE FIELD

The Mattapoisett Sports and Athletic Committee has installed bleachers at the Jay Lamborghini Little League Field for the benefit and comfort of the spectators.

These bleachers were constructed by the boys in Mr. John Wright's metal working classes at Old Rochester Regional High School, from materials supplied by the committee.

The professional quality and appearance of these units are visual evidence of the talents and abilities the boys have developed under Mr. Wright's tutelage.

The bleachers are of the portable type, so that they can be transported from one place to another, and used for various civic programs in town.

The committee would like to publicly thank Mr. Wright and his students for a job very well done.

Also, a large thank you is due Mr. Don Grace for his volunteer efforts in refurbishing the scoreboard with a new coat of paint and constructing new numerals and team signs.

It is this type of help and support that

ROSE SHOW

The annual Rose Show of the New England Rose Society will be held at the Natick Mall on Saturday, and Sunday, June 17 and 18. Hours of opening are Saturday, 9:30 A.M. to 9:30 P.M. and Sunday, 12 noon to 5 P.M. The show is free to the public.

The Rose Show is jointly sponsored by the Garden Club Federation of Massachusetts, Ikebana International Boston Chapter 17 and the Massachusetts Horticultural Society. In addition to numerous competitive classes open to the public there will be many special displays and flower arrangements.

A collection of Victorian garden roses will be shown by Dr. Dora R. Empson (Mrs. M.C. Rosenfield) of Mattapoisett. This exhibit will be arranged around mannequins wearing Victorian dresses lent by Mrs. George Smith of Ned's Point Road, Mattapoisett, and will include 19th century garden furniture lent by the 1812 House Antiques, Marion Road, Mattapoisett.

The Natick Mall is situated west of Boston on Route 9, just beyond the Carling Brewery.

Sailing Lessons

SAILING TRAINING PROGRAM

The Mattapoisett Yacht Club is again operating a sailing training program. Similar to the last few years, courses of instruction exist for the beginners starting at age 9. Beetle Cats primarily will be used for the less experienced skippers. Areas of instruction include water and boating safety, sailboat handling, and the variety of skills needed to sail adequately.

New to the program this year is an advanced sailing section. A 420 has been purchased to be used by the advanced sailing group. A 420 is a small racing type sloop. The class perhaps is one of the largest in the world. 420's come equipped with a jib, spinnaker and trapeze. This boat will do much to aid sailors in learning some of the finer points of sailing skill.

Also new to the program is Jim Barnes. He will be a full-time instructor assisted by Phil McCarthy. Joan Darrah has been

Mosquito Control

BUGGED ABOUT MOSQUITOES??????

Due to the extremely wet season this year, Mattapoisett has raised a bumper crop of little pests. The swamp areas of Mattapoisett that were recently treated with Flit MLO have been checked and we find that we had almost 100% kill. Through last week the county has spent many hours in Mattapoisett doing additional larvaciding of trouble spots. David Baker, our mosquito control inspector, received his equipment this past week, so he is now in the process of applying Flit MLO to catch-basins and other breeding areas.

WHY THE ABUNDANCE OF MOSQUITOES??

1. Extremely high water table in the swamps even since the larvaciding.
2. Large potholes and areas of standing water on private property.
3. Bird baths, tire casings, blocked gutters, and other articles holding stagnant water.

David Baker will be routinely treating specific trouble spots in the swamp areas

with Flit MLO as needed. As for the standing water on private property YOU can do the following:

1. Try to drain the area by trenching.
2. Clear the water of organic material such as rubbish and leaves because this increases breeding.
3. Clear the brush around the wet area to allow for rapid evaporation.
4. Call David Baker at 999-6191 or 758-2683 so he can apply Flit MLO.

Remember: Flit MLO is a larvacide and does not kill adult mosquitoes.

DOES YOUR DOG HAVE HEARTWORM?

Heartworm is a disease in dogs caused by a roundworm that lives in the right side of a dog's heart and the adjacent blood vessels.

Heartworm does not infect humans, cats or other domesticated animals but is transmitted from dog to dog by the mosquito. Therefore, the number of worms found in a dog depends upon his exposure to mosquitoes and how many times he has been bitten. It takes about eight months from the time the mosquito bites the dog until the worms reach maturity, and this is the reason heartworms are seldom found in dogs under one year old.

Heartworms cause damage to the lungs and liver as well as the heart. Sometimes a great deal of damage has already been done before the symptoms appear, and then it is much more difficult to affect a cure of the disease. Recently, the liver failure syndrome of heartworm disease has been discovered by veterinarians. Dogs with this illness have a sudden failure of the liver and kidney due to a mass of heartworms. Oftentimes dogs with this type of case cannot survive.

Early diagnosis is essential in the treatment of heartworm, and all it takes is a blood test by your veterinarian. This test will answer the question as to whether or not your dog has heartworm long before any symptoms appear. A dog that has heartworm for sometime may have a deep cough. As the disease progresses, he may tire easily following exercise and may even collapse from circulatory failure. Dropsy, the accumulation of fluid in the abdomen, causing distension of same, is a sign of advanced heartworm disease.

Treatment of heartworm consists of injections, several weeks rest and then a series of tablets are given the dog to rid the bloodstream of the baby forms of the disease. This treatment is also used as a preventive measure for dogs exposed to heavy infections with mosquitoes every six months. Treatment, howver, does not prevent reinfection. The most important thing is that you protect your dog initially.

the control of heartworm disease:

1. Protect your dog from exposure to mosquitoes as far as possible. Screen pens for hunting dogs and keep pet dogs inside after dusk during the mosquito season.

2. After your dog reaches the age of one year, have your veterinarian examine his blood every six months. If evidence of heartworms is found, have him treated.

3. If your dog is kept outdoors, so that he is exposed to the bites of the mosquitoes, have your veterinarian put him on one of the preventive routines.

TRASH BARRELS IN MATTAPOISETT

The Youth Committee of Mattapoisett is happy to announce that their trash barrels are ready for distribution and will be put around as soon as possible. If any person has a particular spot they think needs a barrel, please mention it the committee, or call 758-6601. They are painted bright red and yellow, so when you see them, remember what they're for. The Committee would like to thank the Acushnet Company for the barrels and Quality Paint and Wallpaper Company and Dennis Mahoney and Sons for the paint, and also Mr. H. C. Broadwater for drilling holes in the bottom of the barrels. Thank you for your cooperation.

MAKING FIRE EXTINGUISHERS

Mattapoisett Junior Grange members made emergency fire fighting pails from large size coffee cans, wire or spool handles and red fire labels attached to the outside of the cans. The cans are filled with baking soda, and the plastic lid replaced. If a blaze breaks out in broiler or skillet turn of the heat, toss soda on the flames. These emergency fire pails should be placed handy to stoves or fireplaces.

Basketball Clinic

From June 24-July 1, Sunday excluded, the Sippican Basketball Clinic will be held at Old Rochester Regional High School gymnasium, staffed by Stephen Carey and Thomas Maier, basketball coaches at Tabor Academy. It will be for girls and boys from 8 to 18 with the girls and boys (8-12) in the afternoon and the older boys in the evening.

The program will include lectures, individual instruction and drills on fundamentals, team competition and achievement awards. A fee will be charged which includes a "T" shirt and full insurance. Group and family discounts and scholarships (sponsored by local business and civic organizations) are available.

Plans call for the attendance of Steve Kuberski of the Boston Celtics, Jim Bradley, coach at Emerson College and co-director of John Havlicek's Camp; Ronnie Perry, past coach at Catholic Memorial High School in Boston, one of the most successful coaches in New England and the new athletic director at Holy Cross; and several more outstanding coaches and collegiate stars.

For further information contact Thomas Maier at 76 Main Street, Marion, or call 748-1088.

BASKETBALL CLINIC SCHOLARSHIP

Any boys or girls from Mattapoisett who are interested in attending the Sippican Basketball Clinic to be held at Old Rochester Regional High School and who want to apply for a scholarship to help meet the cost on the clinic can pick up an application form at Tinkham's Pharmacy. CONSERVATION COMMISSION ELECTS

At a recent meeting of the Mattapoisett Conservation Commission officers were elected for the coming year. They are: Mr. James Shepley, Winnatuxett Road, chairman; Mr. Ralph Sanford, Neck Road, vice-president; Mrs. Bette-Jean Rocha, Wildwood Terrace, secretary. Other members of the Commission are N. Floyd Tinkham, Mechanic Street, and Ronald Jensen, North Street.

Associate members appointed for the coming year by the Board of Selectmen are Mrs. Barbara Wellings, Mrs. Eleanor Johansen, Mrs. Emily Dion, Mrs. Carol Field, David Hewitt and John Denham as tree warden, and Mark Harris representing the Grange.

The Commission feels this coming year will be one of accomplishment with an active working group. They would also like to encourage anyone wishing to preserve land for the benefit of the town or those with any ecological problems to contact any member or attend a meeting. They will be more than happy to be of help.

TICKETS FOR FESTIVAL '72

The yellow tickets with the unflappable mermaid on them went on sale this week for Festival '72 to be held Saturday, July 8th, from 10 A.M. to 10 P.M. A large ticket committee will be covering the town for support of this annual event and a general public sale of tickets will be held in the center of town on June 28.

Two new attractions this year will be the intricate gunstock carvings of our own Selectman, David Haley, who will be present to demonstrate this rare art. Sal Lanese of Mattapoisett will display his towering wood sculptures - some about 6 feet - and many smaller works of art. Mr. Lanese will also be on the grounds working on a sculpture.

The judging will begin promptly at 10 A.M. Saturday morning of the show in three distinct categories: Fine Arts - painting and sculpture, Photography and Crafts. Ribbons will be awarded before 1:00 P.M. that day.

Continuous folk music, including a bagpipe demonstration, will be a feature this year.

As in past years, voting by the general public of the most popular work will take

Letter to The Editor

LETTER TO THE EDITOR
TAXES - BEHIND THAT T.V. SMILE

Do you realize this year's all out push to use taxes as a punitive measure to run this country - take your money, dictate where you can live and in what manner?

One thing being considered is the desirability of making it more difficult for people to build individual homes and making it easier to obtain low city rentals and better city transportation as a measure to build the cities (called a matter of priorities).

Other measures being advocated are doing away with deductions of local and State taxes, doing away with interest deduction on your home mortgage. Would you like all that added to your expenses?

Also they desire to do away with charitable deducations and the decudtion table deductions and the deduction on municipal bonds so all you good citizens can pay higher interest to borrow money for the schools, sewers, etc.

At least one candidate advocates the inheritance tax as a definite tool to lower everyone in various classifications so that no one in his status would have any more than anyone else in his status.

So, this year definitely find out all you can about the candidates. It may be a matter of your financial life and existence.

Henry B. Dunseith

A THANK YOU

I would like to thank many people for the success of the Center School Dance Festival on the Town Wharf on June 6.

As it was not possible to present a Festival last year, it seemed important to do so this year in order to continue the Center School event which many say is becoming a tradition.

Much planning went into the finished performance and details naturally involved

many interested people in town.

The Selectmen gave permission for the use of the Town Wharf - that was the "go ahead" signal! Mr. Frank Pimental assured us that the wharf would be clean and in good order - it was! Mr. Paul Alves arranged to have the loudspeaker system connected. He was assisted by Mark Harris.

The actual operation of this equipment was capably handled by Maurice ("Mudgie") Tavares. In fact, all of the numerous operating details were handled by both "Mudgie" Tavares and "Mickey" Bauer, without whom there would have been certain panic!

We are very grateful to our Police Department for providing safe escort for our children from school to wharf.

My grateful thanks to all the teachers who so capably worked with the children and helped so much to keep the performance running smoothly.

Mrs. Texeira was responsible for the colorful programs.

The Maypole used in the final number was the result of the work and artistic ability of Mrs. David McCormack.

Miss Aurich, most generous in her interest and support, was encouraging and cooperative in every way.

Our children rose to the occasion beautifully and I am very proud of them.

It was indeed gratifying to have such a large audience made up of so many interested parents. This is what made the Festival a really meaningful experience for our children.

FOR THE MERIT BADGE -
CONSERVATION OF NATURAL RESOURCES
BOY SCOUT TROOP #15, MATTAPOISETT

It was a beautiful warm day in June, the tide was right to go fishing. You get all your fishing equipment together and head for the water. After many unsuccessful casts you went home. Was this a bad day to go fishing? The next day you go through the same routine. Still no fish. There is one more day to your vacation and you're still trying to catch a fish. Still no luck! The old-timers said this was the greatest spot around. You wonder where the fish have gone. Do you suppose some of the people kept the small fish that weren't of legal size? If you take the small fish now,

CAMP MASSASOIT OPEN FOR INSPECTION

Mattapoisett parents are invited to inspect Camp Massasoit next Sunday, June 18, between the hours of 12 and 3. Most of the staff of seventy-four will be on hand to conduct tours, answer questions, and generally enlighten parents on the wide variety of activities at this nationally ranked summer Day Camp for boys and girls. Camp Massasoit is located on the shores of Mattapoisett Bay and the entrance is down the Reservation Road and right through the Reservation Golf Course.

Interested parents may also phone the YMCA at 997-0734 and information will be mailed.

GRADUATED FROM TABOR ACADEMY

John O'Driscoll, son of Mr. and Mrs. Francis O'Driscoll of 16 Marion Road, Mattapoisett, graduated from Tabor Academy on June 3rd at ceremonies held in the Wickenden Chapel.

While at Tabor John was active in weightlifting and crew.

Mr. O'Driscoll plans to attend Boston University in the autumn.

Y.W.C.A. Events

"Right at Your Fingertips - You", a program of fun and information about "You", will be the subject of Jean Bancroft Tuesday at 8 P.M. June 20th. The program, sponsored by YWCA Junior Volunteers, is open to the public. There will be a small admission fee. Mrs. Bancroft is a handwriting analyst, author and lecturer.

At 7 P.M. the same evening Junior Volunteers will have a brief business meeting before Mrs. Lillian Shelton, associate program director of Navy YMCA, Newport, conducts An Experiment in Group Dynamics and a lesson in Decision Making, as the features of the monthly training meeting required of all Junior Volunteers.

Prospective Junior Volunteers at least 17 years of age and out of high school and those not over 25 are cordially invited to the meeting and the speaking program.

Non-YWCA members are invited to inquire about the Mountain Hike on Mt. Monadnock, Rindge, New Hampshire, Sunday, June 18th.

After leaving the YWCA at 6:30 A.M. the first stop will be at Cathedral of the Pines in Rindge where attendance at the service is optional.

Clothing should be appropriate and comfortable. Sneakers are unsuitable and good hiking or walking shoes are required. Bring canteen for water, sunglasses and suntan cream. Also bring for lunch peanut butter sandwiches, raisins, space bars, that give quick energy and are light weight, and fruit.

Return to New Bedford will be at 7:30 or 8:00 P.M. approximately.

Mrs. Rita Grenon, adult program director, announces that because of the many requests these classes will be continued during the summer: Slimnastics, 7 to 8 P.M., starting July 11th; self-defense, 7 to 8 P.M., begins June 22nd for coeds over 14; yoga, for women over 16, 7-8 P.M., starting July

LIBRARY CELEBRATES CENTENNIAL

One hundred years ago Elizabeth Taber built the Marion library. The trustees of the Library Association have formed a committee to plan a program of events which will give significance to the centennial year. Mrs. William G. Saltonstall, Jr. is serving as the chairman.

The celebration will revolve around the annual Book Sale, which will take place on the library lawn under a tent during the weekend of July 28th and 29th. A children's program is being planned for Friday afternoon, and there will be a reception to honor local authors, past and present, on Friday evening.

Robert Joslin has created a drawing of the Elizabeth Taber Library which will be reproduced on a limited edition of memorial plates. Mr. William G. Saltonstall has written a brief history of the library's one hundred years which will be printed in booklet form.

It is not too early to make donations to the Book Sale. All types of books are welcome

6th GRADE STUDENTS VISIT ORRHS

Sixth grade students visiting Old Rochester Regional High School from the elementary schools in Marion, Mattapoisett and Rochester Monday got a welcome with a new touch. A cookout complete with hot dogs, pickles, potato chips, dessert and milk was served to the 220 or so youngsters who will be entering the new Junior High School building in September. However, they did not get the opportunity to tour their new home. After introductions to staff and administration and a tour of the existing building,

the visitors were escorted to the tennis courts with present 7th graders, the cook-out area. "It was a tremendous first opportunity for the staff and the students of the new Old Rochester Junior High School to share an experience. The results were highly gratifying," said Robert C. Gardner, Director of Junior High Administration.

He explained that the School Building Committee could not give its permission for the students to tour the new facility because of the work going on there.
